

PERKASIE BOROUGH
Parks and Recreation – Menlo Aquatic Center
Part time Seasonal Employment Opportunities

Assistant Pool Manager/Pool Supervisor

This position will need to take direction from the Aquatics Manager as well as Perkasio Borough Park and Recreation Director. They must be able to fulfill most of the Aquatics Manager's job responsibilities when the manager is absent such as oversee all aquatic employees and MAC attendants and works alongside the Front Desk Supervisor to assist managing front desk attendants, be responsible for all facility and mechanical operations, and assist patrons with questions and concerns. This includes learning pump room mechanics, water chemistry, and the ability to make decisions based upon staff and patron safety.

When the Aquatic Manager is present this position will be required to take on the responsibilities of head lifeguards, lifeguards, and MAC attendants (listed below) to fill in staffing holes to ensure the facility is run safely and effectively. They must be able to lift at least 50 pounds and have two years of experience as a head guard or lifeguard. They must be lifeguard, CPR/AED, and first aid certified before the start of the season.

Head Lifeguard

This position requires someone who is organized and can communicate effectively with their peers. Their main responsibility is to be visible to staff and public around the pool deck and facility to ensure all questions or concerns are addressed in a timely manner. In addition they will need to make the lifeguard rotation each day, make sure lifeguards are completing opening and closing jobs, and they will need to perform swim tests during their shift. This position requires you to learn how to do water chemistry pool tests, ensure that the facility including restrooms are kept clean, and oversee the organization of pool birthday packages. They will need to take direction from the Aquatics Manager as well as the Assistant Pool Manager/ Pool Supervisor and complete all other assigned tasks. At times and when both the Aquatics Manager and Assistant Pool Manager/Pool Supervisor are present the head lifeguard will be required to enter the staff rotation and lifeguard or oversee slide operations to fill in staffing holes to ensure that facility is run safely and effectively. Head guards must have at least two years experience as a lifeguard and must be lifeguard, CPR/AED, and first aid certified before the start of the season.

Lifeguard

Lifeguards will enforce all pool rules to patrons. Lifeguards are required to clean the entire facility, including pools, deck areas, first aid room and bathrooms. This position requires a team player and someone who can communicate firmly and tactfully with the public. They must be able to sit on a stand for up to an 8 hours total. They will need to take direction from the Aquatics Manager, Assistant Pool Managers, and Head Lifeguards while completing all assigned tasks. Lifeguards must be lifeguard, CPR/AED, and first aid certified before the start of the season.

MAC Attendant

MAC Attendants will assist in enforcing all pool rules to patrons, clean the entire facility, including deck areas, first aid room and bathrooms. This position requires a team player and someone who can communicate firmly and tactfully with the public. They must be able to sit on a deck for up to an 8 hours. They will need to take direction from the Pool Manager, Assistant Pool Managers, and Head Lifeguard while completing assigned tasks. MACs must have CPR/AED and first aid certifications before

the start of the season. Based upon age shifts could include attending to the top of the slides as well as assisting with pool birthday party packages.

Front Desk Attendant

This position requires good financial handling, customer service skills, and organization. All Front Desk Attendants are required to keep the entire bath house clean and organized, including the bathrooms. They will need to lift at least 50 pounds and be able to restock shelves. Bathhouse Attendants must be knowledgeable in basic computer programs including excel and word. They are required to learn all pool rules and learn all of the information in the Perkasio Borough Parks and Recreation Guide that involves Menlo Aquatic Center in order to fully answer patrons' questions. They will need to take direction from the Aquatics Manager and Front Desk Supervisor as well as the Assistant Pool Managers and complete all assigned tasks. They must have CPR/AED and first aid certifications before the start of the season.

Front Desk Supervisor

This position requires excellent customer service skills, organization, and the ability to multitask and communicate effectively with peers and patrons of the facility. They must be knowledgeable of the MyRec system, Excel, Goggle Docs, as well as Perkasio Borough, Parks and Recreation, and specifically Menlo Aquatics Center information. They must be able to explain and enforce all rules and regulations to patrons upon arrival to ensure a safe environment. They train and oversee the front desk attendants as well as working alongside them on a daily basis. This position will need to take direction from the Aquatics manager as well as Perkasio Borough Park and Recreation Director. When the Aquatics Manager is not present they oversee all financial reporting as well as work with the Assistant Pool Managers/Pool Supervisors to oversee MAC attendants and facility cleanliness. Requires at least two years financial and customer service experience and must have CPR/AED and first aid certifications before the start of the season.
